

# QUESTIONS WELCOME

---

Bob Fisher

Kairos is a community that searches for faith in our relationships with each other, our neighborhoods, and the holy.

After all, the opposite of faith is not doubt, but certainty. That's why we take questions and skepticism seriously.

We are followers of the way of Jesus Christ, and we welcome people of any or no faith to serve, pray, and build community with us.

Community happens in our home-based discussions, in serving those in need, and in activities like learning workshops and our monthly Faith Walks.

Kairos gatherings include time for silence and spiritual practices, such as guided meditation, centering prayer, lectio divina (contemplative reading of texts), and sometimes art and music.

Gatherings are currently Wednesdays at 7 p.m. at someone's home and on Zoom.
